Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Tuesday 27 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Occasional showers, some heavy and thundery.

Today:
Mostly cloudy with areas of showery rain moving eastwards through the morning. Sunny spells and heavy, thundery showers developing late morning, these becoming more widespread into the afternoon, with localised downpours and hail possible. Feeling rather warm between any showers. Maximum temperature 22 deg C (72 deg F).

Tonight:
Heavy showers easing from most places through the early evening. Generally dry and cloudy overnight for many parts, though a few heavy showers are still possible. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Bright or sunny spells and isolated showers through the morning. Frequent, perhaps thundery showers developing by the afternoon. A fresher feeling day and noticeably breezier. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
Often changeable and breezy through the period, with a mixture of sunshine and showers, some heavy and thundery. Feeling much cooler than of late.
